

EMERGENCY and REFERRAL SERVICES

We understand that emergency situations can be stressful for you and your pet. If your pet has a life-threatening emergency after regular business hours, please call our clinic number at **419-455-7387**. The voicemail will direct you to our veterinarian on call. Dr. Katie Daniel is on call after hours for our clients' emergencies often, but on rotation, we have several emergency hospitals devoted to emergency care with doctors and staff on site 24 hours a day. This allows them to devote their full attention in an emergency or ongoing critical care case.
